DRY WEIGHT STANDARD W/ ENGINES	13,600 LBS		

CONSTRUCTION

- » Unsinkable
- » Lifetime hull warranty and 3 year component warranty
- » Variable deadrise deep v-hull
- » Patented closed molded RAMCAP® construction process
- » NMMA Certified
- » Self-bailing cockpit
- » No wood construction
- » High density, closed cell, structural foam flotation
- » Hull laminate - premium gel coat, vinyl-ester barrier and knitted bi-axle fiberglass
- » High density composite transom
- » Hull liner and deck mated perfectly for a rigid one-piece construction, adding to its long term durability
- » Hull liner completely finished inside
- » Molded-in diamond non-skid
- » Rigging troughs - molded-in and oversized for easy access
- » ABS backing used to receive self tapping screws and bolts
- » Aluminum framework fabricated in-house, sand blasted then powder coated using premium marine grade materials
- » Wire harnesses - manufactured in-house using marine grade materials
- » Circuit protection - circuit breakers or fuses protect all electrical circuits
- » Heavy-duty rub rail with 316 stainless steel insert and end caps
- » 316 cast stainless steel and chrome plated fasteners for additional corrosion and stain resistance
- » All hardware bedded or gasketed to resist corrosion
- » Heavy-duty, welded bow and stern eyes, bedded and sealed in polyurethane
- » Bronze high speed intake strainers
- » Transhield™ shipping cover

HARDTOP

- » Fiberglass hardtop with aluminum powder-coated frame includes LED lights, spreader lights (4), rod holders (7) and kingfish rod holders (2)
