

253cc

Redefining Inshore and Offshore Versatility

The epitome of innovation, performance, and style in a hybrid center console boat.

This completely redesigned hybrid center console boat includes the best features of Everglades' favorites, with some additional attributes to boast about. Built to last with a durable fiberglass hardtop equipped with an aluminum powder-coated frame, LED lights, spreader lights, electronics box, 4 rod holders, and a ski pylon.

Pack your bags - in addition to the massive built-in 87qt cooler/dry storage beneath the forward console seat are two storage holders under the helm seat to easily load and unload your gear. There's gear storage for any water activity you can dream up. T&H Atlas™ jack plate is built for the heaviest and most powerful outboard engines on the market today. Take your 253cc offshore with confidence knowing it has the best marine technology available today.

Everglades®

Built to Last

A durable fiberglass hardtop is overbuilt and comes with an aluminum powder-coated frame, LED lights, spreader lights, electronics box, 4 rod holders, and a ski pylon.

Storage Where You Need It Most

Pack your bags – in addition to the massive built-in 87qt cooler/dry storage beneath the forward console seat are two storage holders under the helm seat to easily load and unload your gear. There's gear storage for any water activity you can dream up.

Powerful Design

T&H Atlas™ jack plate is built for the heaviest and most powerful outboard engines on the market today. Take your 253cc offshore with confidence knowing it has the best marine technology available today.

Standard Features

CONSTRUCTION
Unsinkable
Lifetime hull warranty and 3 year component warranty
Variable deadrise deep v-hull
Patented closed molded RAMCAP® construction process
NMMA Certified
Self-bailing cockpit
No wood construction
High density, closed cell, structural foam flotation
Hull laminate - premium gel coat, vinyl-ester barrier and knitted bi-axle fiberglass
High density composite transom
Hull liner and deck mated perfectly for a rigid one-piece construction, adding to its long term durability
Hull liner completely finished inside
Molded-in diamond non-skid
Rigging troughs - molded-in and oversized for easy access
ABS backing used to receive self tapping screws and bolts
Aluminum framework fabricated in-house, sand blasted then powder coated using premium marine grade materials
Wire harnesses - manufactured in-house using marine grade materials
Circuit protection - circuit breakers or fuses protect all electrical circuits
Heavy-duty rub rail with 316 stainless steel insert and end caps
316 cast stainless steel and chrome plated fasteners for additional corrosion and stain resistance
All hardware bedded or gasketed to resist corrosion
Heavy-duty, welded bow and stern eyes, bedded and sealed in polyurethane
Bronze high speed intake strainers
Transhield shipping cover

CONSOLE
Patented hydraulic sliding windshield with tempered glass and intelligent wiper & washer system
Console glove box/storage bin
Console power port & USB charging ports
Stainless steel drink holders (2)
Compass
Stainless steel steering wheel
Molded-in fiberglass footrest at the helm

HARDTOP
Fiberglass hardtop with aluminum powder-coated frame includes LED lights, spreader lights, electronics box, (4) rod holders, ski pylon
Canvas life jacket storage in hard top

DECK/COCKPIT
200ft 1/2 - 8PLAIT 10ft 3/8 chain with swivel and anchor
Full spectrum LED lights
8" pull-up cleats cast 316 stainless steel & through bolted (6)
Stainless steel drink holders
Recessed cockpit drains
Low profile aluminum powder-coated bow rails
Cockpit coaming bolsters
Forward console seating
Bow seating with removable forward facing backrests and locking storage
Stern seats with folding backrest that converts to casting platform
Helm seat with armrest

FISHABILITY
Cooler - Built in 87qt
Circulating livewell with light & clear acrylic lid with stainless steel friction hinges and latch - 26gal
Fish box (fwd.) - 69gal
Rod/cup holders (6)
Under gunwale power ports - 30A
Under gunwale rod racks (2) on each side

MECHANICAL & ELECTRICAL
Automatic bilge pump(s)
High-water alarm
LED full spectrum lighting
LED anchor light & navigation lights
LED courtesy lighting
Electric horn
Engine starting battery bank with charging system
House battery bank with charging system
Stainless steel trim tabs with position indicator and auto retract (single cylinder)
Raw-water and Fresh-water washdown spigots

Optional Features

OPTIONS
Light bar
Rod/Cup Holder Combos (4) - 2 FWD; 2 BOW
JL M6 Series LED Speaker upgrade
LED Underwater Lights
Outrigger quick-cam cleats
GEMLUX® Outrigger Package - 18' poles
T&H Atlas jack plate
Minn Kota® Ulterra Trolling motor
8' Power Pole Blade® black or white
Additional swim platform with ladder
Heavy-duty tow eye
Sport station: 3 position sliding sun roof/helm seat, poly cup holders, footrest, trim tab indicators, Garmin GHS II wired handset, Garmin 8610 Additional screen
